

Call for Implementation of *Sub-Projects* within Frame of the TA CR GAMA Programme

"Advancement of System of Commercialization of R&D Results at Masaryk University"

Open Call No. 042017

Specification

Technology Transfer Office (TTO) is launching a call for proposals to support an increase in application potential of results of R&D at Masaryk University – Proof of Concept.

The aim of this call is to evaluate and verify the estimated application potential of already achieved results of R&D at Masaryk University via *Sub-Projects* which will be implemented on the basis of this call.

The duration of the supported *Sub-Projects* will be **from 6 to 24 months**.

The maximum financial support for one *Sub-Project* is **800 000 CZK**.

The minimum amount to be requested for the implementation of one *Sub-Project* is **100 000 CZK**.

Schedule:

Collection of applications for financial support to implement *Sub-Projects* Proof of Concept starts on **28 August 2017**.

Project proposals will be collected for the period of 30 days which will finish on **20 September 2017**.

A hard copy of the signed project proposal including the accompanying documents has to be handed in at TTO by 21 September 2017 (inc.).

Evaluation of the accepted project proposals will be carried out from 21 September to 6 November 2017.

The implementation of the supported projects will be initiated on the basis of a cooperation agreement between TTO and a given cost centre of MU.

Additional Information:

Detailed information on the call can be found on the documentation server of TTO [here](#).
