

MUNI INNOVATION AWARD 2021

The aim of MUNI Innovation Award is to reward individual students and employees (academics and non-academics), whose outcomes have been successfully introduced into practice, helped to improve products or services or contributed to increase the social relevance of research at the Masaryk University in any other way.

A nomination can be submitted by anyone.

Nomination form and more information at www.ctt.muni.cz/mia2021.
